The Village of Potsdam will be flushing fire hydrants beginning Sunday evening, October 15th. Flushing will be done between the hours of 10 PM and 6 AM, and will be completed Friday morning. Users may experience a harmless temporary discoloration of their water. If this occurs, running the cold water tap for several minutes should clear it up.

If you have any questions, please contact the Village Dept. of Public Works at 315-265-4620

Sincerely,

Jim Corbett
