

New York State Homes and Community Renewal has released a Request for Applications for its Small Rental Development Initiative. The program can provide grant assistance to not-for-profit organizations and partnerships between not-for-profit organizations and private real estate developers for the construction or renovation of affordable multi-family rental housing. Follow this link to the Homes and Community Renewal website for the Request for Applications, application workbook, model pro-forma package, vendor responsibility questionnaire and applicant certifications <https://hcr.ny.gov/srdi>. Applications will be accepted until 4:00 PM on April 17, 2023.
